Re: Docket No. MB-02-235

Dear Mr. Chairman:

My name is Roberto Enriquez and I am president of Health Matters, an on site preventive health company. I am writing in regards to the Commission's review of the proposed merger between Univision Communications Inc. and Hispanic Broadcasting Corporation (HBC). As an active member of the Hispanic community over the years, I am confident that this merger will create a media organization better poised to serve our community and to compete against America's media conglomerates for the growing Hispanic audience.

The combined efforts of Univision and HBC should be viewed as a significant opportunity for Hispanics in the media and for the Hispanic community as a whole.

In light of the substantial benefits arising to the Hispanic community from the proposed merger of Univision and HBC, I ask that his proposed transaction receive all due consideration as promptly as possible in order to make these benefits to the public a reality.

Sincerely,

Roberto Enriquez
